I was referred to Fred Hagggar by another local professional. From the very start I was overwhelmed by Fred's energy and sense of care for his client. Fred achieved a fantastic result on our purchase (a discount of more than 10% of the vendor's desired price). But Fred is not just a brilliant negotiator. The whole purchase was project managed by him including liaising with solicitors, organising site inspections and general advice on the property. Nothing was too much trouble for him. I have been left with a feeling of satisfaction and contentment knowing that we were able to get the best price possible on our purchase and that we were in strong hands during the whole purchasing process. I intend to recommend Fred to my clients and everyone else I come across who is looking to buy a property - he is the best man to have on your side!
