Subject: My experience with Property Search 4U

Hi Fred,

Well I'm in my new place, and I can't thank you enough for all the time you spent looking for my perfect home. You did the most fantastic job, and although I'm living in chaos at the moment, I LOVE it. It is totally perfect for me. Thanks.

Finally, I have enjoyed working with you and communicating with you. You were extremely professional, honest and I respected both your opinions and advice.
