Dear Michele

Both Roy and I would like to thank you very much for the supreme effort on your part in assisting us with the purchase of our new home in Bellevue Hill.

The task of purchasing a new home is probably the most daunting experience for anyone to go through and without your guidance, knowledge, tenacity and extreme patience we would probably still be looking for a place to buy.

Finding the property and then negotiating the deal with the agents on our behalf made the entire process easy and far less nerve racking than it would normally have been.

Thank you for your time and assistance.

Regards
