Subject: Thank you: from Singapore Terminal

Dear Fred

It has been a great pleasure working with you in getting our first Australian home. Without you I cannot fathom how we could have purchased a home like this one. The meticulous and professional search, kind and friendly attitude, your understanding of our specific needs, and being in close communication with us throughout the whole process, right till we got the keys (and actually beyond) was commendable.

We felt confident that we were in good hands at all times and would not hesitate to use your services again in the future. If anybody would like to enquire about your services we are more than happy to discuss with them.

Thank you and best wishes

Kind regards

Partha and Shikha
