Dear Michele

It has been an absolute pleasure working with you over the past 6 months to find an apartment for my parents. Throughout the process you demonstrated an enormous knowledge of the Eastern Suburbs property market and filtered out all of the apartments that did not meet the search criteria that were set at the start of the engagement.

Had it not been for your dogged persistence in trying to find the "right" apartment and your patience I am sure that we would have all given up early in the process. Your help is greatly appreciated and I would have no problem in referring your services or acting as a reference for you with any prospective clients.

Once again thank you for your professional assistance.

Warm regards

Janice Perlov
