Dear Fred,

We have heard about your services from very good friends of ours, they spoke so highly of your help to them and how satisfied they were with their purchases that they convinced us to finally make a move into acquiring an investment property.

Since our first meeting with you to discuss our options, we felt completely confident that we have finally found someone we could trust and someone who could help us achieve our dream. Fred understood our needs and our financial situation very well and his advise was priceless. We were so amazed with his knowledge of everything we had a question about, his patience and understanding is unbelievable.

We can only say thank you Fred for making our dream come true, thank you for your help not only with the property search, but also with legal advise and banks and agents, we hope we can do it all over again soon.

With gratitude and kind regards,
