Fred,

With regards to your assistance with our purchase at 868 Henry Lawson Dr, Picnic Point, I am writing to express my thanks on behalf of myself and my wife Belinda.

Your professional market research as well as the meticulous way that you researched the property we purchased and the negotiations you engaged in on our behalf well and truly exceeded our expectations.

I look forward to future dealings with yourself and your office and will certainly continue to whole-heartedly recommend you to existing and prospective clients of mine.

Yours truly,
